SUBJECT: Notice of General Order (G.O.) 112-E Compliance Inspection of San Diego Gas and Electric Company's (SDG&E) Anti-Drug and Alcohol Misuse Prevention Programs

Dear Mr. Lane:

The staff of the Gas Safety and Reliability Branch (GSRB) of the California Public Utilities Commission conducted a G.O. 112-E audit of SDGE's Anti-Drug and Alcohol Misuse Prevention Programs on January 24-27, 2012. The audit included a review of SDG&E's Anti-Drug and Alcohol Misuse Prevention program plans and records for the period of January 1, 2011 to January 24, 2012. In addition, GSRB staff visited the Quest Laboratory Diagnostics' and the Medical Review Officer's facilities and observed 10 specimen collections and inspected two specimen collection sites in San Diego.

GSRB staff did not observe any non-compliances of G.O. 112-E, Reference Title 49, Code of Federal Regulations, Parts 199 and 40.

If you have any questions, please call Matthewson Epuna at (213) 576-7014 or Michelle Wong at (213) 620-2780.

Sincerely,
